TESTIMONIALS

SRINIVASAN V

MEC / Mechatronics

I am really thankful to the Placement Cell for providing me this opportunity and support during my placement interviews. I was able to attend interview for many technology-based company jobs. I shall forever be grateful to Mahendra Engineering College for providing me with the best learning platform.

SANGEETHA MUNIAPPAN

ECE / MEC

My placement team provided me excellent training and subsequently plenty of opportunities to try my expertise by enabling me to attend campus placement drives from various companies. I got all the support and guidance from my Placement Team. The events that I took part helped me grow my confidence level. I would like to specially thank the Placement Cell for guiding me and providing me a good platform for my

SOURAV

CSE / MEC

I am grateful to the management and faculty members of Mahendra Engineering College for their efforts to ensure a bright and prosperous career for me. Also I would thank the Training and Placement Cell of Mahendra Engineering College for its invaluable support in training me to achieve my goal amidst Covid 19 situation!

SIVARAJAN G

ECE / MIT

Mahendra Institute of Technology is a special environment for all those who have a burning desire to achieve a career for life. My perspective about me underwent a clear change in the campus. I felt that I was born for achievement. On one side the faculty gave me the subject expertise, while on the other side the Placement Training Cell equipped me with employability skills. Hence, I got into the job of my choice easily.

PREETHI.S

CSE / MCE

Hi everyone who reads it! At first I wish to thank my teaching faculty that stood with me through thick and thin in the last four years. I was not only taught subjects skills, but also life skills. I got an insight into what life is and how I could live it! Mahendra Institution is the Best Choice for building one's career, I can say authoritatively. I came in four years before as a mediocre student, but I left the campus as a person fit enough to enter the competitive corporate world!

KARTHIKA S

EEE / MEC

I was able to feel a wave of positivity throughout my stay in the campus for the past four years. I feel proud to record that Mahendra Engineering College helped me a lot to improve my skills, both subject and technical, and knowledge which moulded me into a confident student. The teaching and training provided by the college enabled me to focus on my career and achieve it at last. Thank you, Mahendra!

DEEPAli DADASO KATKAR

EEE / MEC

I feel very proud and blessed to be a part of this college. My college has given me a lot of inputs to improve my career projects. The faculties in the campus are second to none. I derived great inspiration which propelled me to get an entry into the corporate world.

BABU VARADHARAJAN N

CSE / MEC

During my studies in MEC, I was facilitated with great scope to concentrate in my studies. I was very happy to have a highly dedicated and inspiring team of faculty. I gathered great expertise in my subject and communication. It was because of the subject skills coupled with technical and communicative skills taught in the campus that I was able to land in my dream career hands down.

BOOVESH L

ECE / MEC

Mahendra sculpted me to get fitted into the corporate world by conducting lot of training programmes through which I acquired the technical as well as communication skills. Success is where effort and opportunity meet! I can say confidently that Mahendra made me a successful personality by giving me an opportunity to achieve my goal in the first shot itself.

LOGANATHAN P

CSE / MIT

My four year long journey at Mahendra was outstanding in my life for more than one reason. It stuck in my memory and will linger long. The college provided me academics of master class along with outstanding technical skills. The placement training which was started from my second year was so well planned and executed that I got placed in Virtusa at the beginning of my final year itself. The best infrastructure of the college is matched with immense placement training which paves the way for top-notched jobs. I will remain grateful to Mahendra.

TESTIMONIALS

MUNEESWARAN B

Mechtronics / MEC

I, Mr. Muneeswaran would like to express my sincere gratitude to Mahendra Engineering college for helping me at each and every step of my educational and professional career. The institution provided me with the best possible platform and infrastructure to excel in the career of my interest. The expert faculty team made me Industry-ready, while the Placement training helped me enhance my soft skills which made me stand distinguished from others.

THAMARAISELVI MAYAKANNAN

CSE / MEC

My life at Mahendra made me stronger and took me a step ahead for being an independent woman. I am thankful to all the teachers who supported me and corrected throughout our bachelors. I love the infrastructure of Mahendra and its international standard. The events that I took part helped me grow my confidence level. I would like to specially thank the Placement Cell for guiding me and providing me a good platform (company) for my career.

PARAMESHWARAN.J

Mechanical / MEC

It's a great opportunity to meet different kinds of people and learned many things in the college campus. I am thankful to all the faculties, mentors and the entire team of MEC as well as the placement cell for their selfless service throughout the course. It is undoubtedly a great life-time experience for me at Mahendra.

KAYALVIZHI BASKARAN

CSE / MEC

My experience at Mahendra Campus was fantastic; Growth here is Omni-directional. Mahendra gives more importance to placement, because placement hits the top priority with every student. The placement training provided by the institution is both inspiring and highly informative. I got placed in Virtusa before the completion of my course, in the very first interview I attended. I'm grateful to the enormous support provided by Mahendra to achieve my goal.

SANTHOSH.J

IT / MCE

The entire journey in Mahendra was full of learning and grooming. The journey gave me an opportunity to meet and associate with people who possess different kinds of thought processes and learning strategies. The faculties helped me a lot and inspired me to reach my goal. I am very sure that what I am today is because of Mahendra and I am indebted for life!

JAYASURYA.E

Automobile / MIT

During my studies in Mahendra Institute of Technology, I had access to unique opportunities to focus on my studies, especially on the topics of my interest and prepare me to enter the job market with confidence and a sense of direction. I wish to record my gratitude to the untiring Placement Cell for its continuous training.

MANORITHA SARAVANAN

CSE / MEC

My four year-stay at Mahendra was great and it is an ever-green memory to cherish for lifetime. It was replete with learning and grooming experiences. I was facilitated with a dedicated team of faculty that gave me an opportunity to explore my hidden skills and groom. I am thankful to all the faculties, mentors and the entire team as well as placement cell. Overall, it was a great experience and lifetime memory.

HEMACHANDIRAN T

Mechtronics / MCE

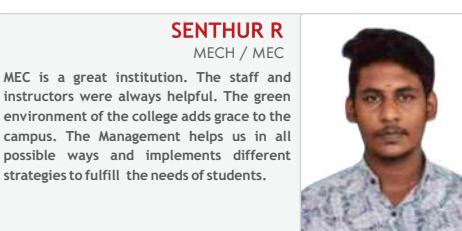

It gives me great pleasure to share with pride that I am a student of Mahendra Engineering College. The relationship between faculties and students is very cordial, which gave me an opportunity to excel in my studies. The four years spent here were splendid and helped me grow better professionally & personally. I would like to thank all the faculties and staff members for making me a "Better Person"

ANSHAD A.P

CIVIL / MEC

My college gave me wonderful opportunities to focus on my interest and paved way for the right direction which will definitely help me land in the right job.

SENTHUR R

MECH / MEC

MEC is a great institution. The staff and instructors were always helpful. The green environment of the college adds grace to the campus. The Management helps us in all possible ways and implements different strategies to fulfill the needs of students.
